**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a residential Sonic customer, how can you claim there's no UNE-based competition in the marketplace?

I struggled with AT&T for years with no improvement in on-line service. The computer would constantly say "no internet connection available" almost on a daily basis.

I'm so happy I switched to Sonic. Now I have access to fast, affordable internet & phone service.

I oppose the petition to the FCC to dismantle key components of the 1996 Telecommunications Act.
